Coordinator:

SUMA was established in 2020 as a youth NGO in Podravske Sesvete. Through the implementation of personal development trainings, entrepreneurial competencies, volunteering programs, awareness programs, teaching various technical skills, communication skills, coaching, rural development, the association is working towards discovering one's own full capacities, which can later be transferred to everyday life.

Additionally, emphasis is also placed on realizing social and environmental responsibility and feeling the effects of one's actions on the group and society as a whole.

Since March 2020., over two hundred local and regional activities have been planned, organized, and implemented by SUMA, some on a short-term basis, others on a long-term basis.

We are a group of experts in the fields of economic, environmental and social work, law, children teaching, psychology, and agriculture. Currently, NGO has 20 members who are actively involved in different activities linked to their interests of work and studies.

The members of NGO SUMA have extensive expertise in social work, entrepreneurship, sports, youth and children inclusion, marketing, and sports. The team of experts consists of eight members, who are 90% high educated in various fields. From languages and literature up to economics and rural development.
