Erasmus+

ABOUT THE PROJECT

Goal of this Youth Exchange is to present STEM (Science, Technology, Engineering and Mathematics) fields in a interactive, interesting and FUN way. Science doesnt have to be boring and you will see why!

OBJECTIVES

The acquisition and development of EU-promoted skills and competences, such as interpersonal skills, cultural awareness and expression, learning to learn competences and digital competences.

AGE 16-20

ABOUT US

Association for community development KREAKTIVA was founded in Osijek with the aim of improving lives of young people and community development. We carry out activities and projects that make it possible to strengthen capacities and abilities for future life, whether it is young people or other mentioned groups.

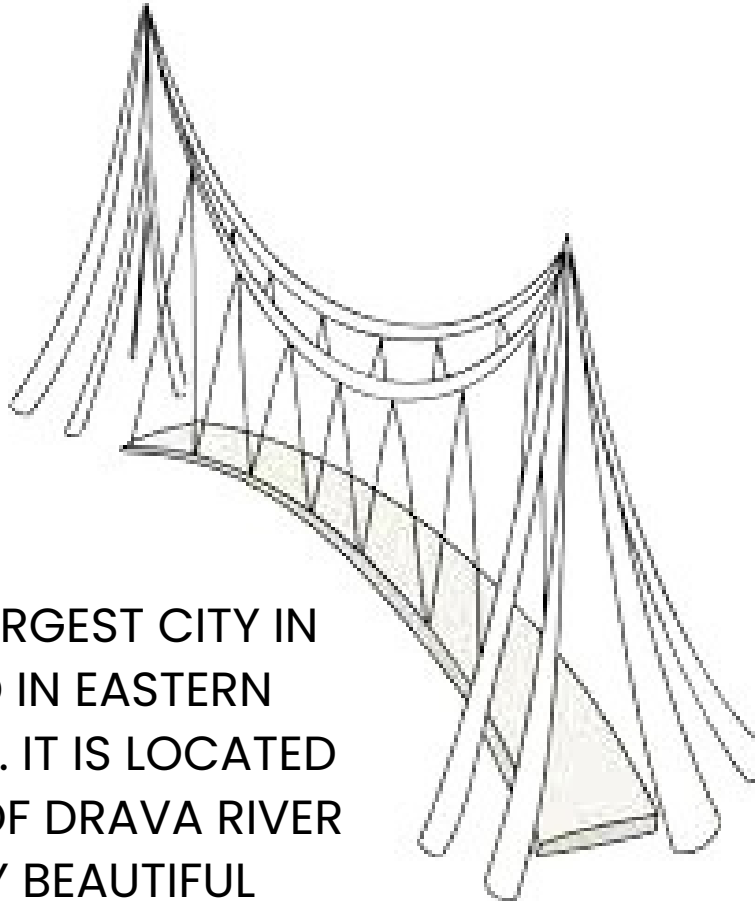

We work mainly in the field of active citizenship, raising the level of digital skills (programming, micro:bit, 3D) and developing competencies in the field of creativity and active participation of young people in building their community.

About Osijek

OSIJEK IS THE 4TH LARGEST CITY IN CROATIA LOCATED IN EASTERN REGION OF SLAVONIA. IT IS LOCATED ON THE RIGHT BANK OF DRAVA RIVER AND HAS A REALLY BEAUTIFUL NATURE. THERE IS ALSO PARK OF NATURE " KOPAČKI RIT" NEARBY.

Accomodation

DORMITORY S&D OSIJEK

PREPARATION

- June is relatively sunny in Osijek, but bring some jackets/raincoats/hoodies just in case of rains and colder nights
- For intercultural nights feel free to bring your local food, snacks, clothes, instruments with you! Each country will have plenty of time to showcase their country, think of a creative way on how to present it!
- Each national team should prepare one workshop in relation to this topic, the workshop should last for 1:30h. Each day one national team will implement their workshop.
- Bring your swimming shorts for pools!
- Dont forget to bring your smiles and good vibes also!
