

# YOUTH EXCHANGE

Youth, democracy and inclusion  
in the age of disinformation

**MORAIRA, SPAIN**

**28 March - 4 April 2026**

**HOSTING PARTNER:**

Co-funded by  
the European Union

# SUMMARY OF THE PROJECT

The youth exchange responds to the growing need to strengthen young people's understanding of democracy and inclusive democratic values in a rapidly changing social and media landscape. Many young people face limited opportunities for meaningful participation in democratic processes, while being increasingly exposed to misinformation, disinformation, and polarised narratives that undermine trust, dialogue, and active citizenship.

The main objective of the exchange is to empower young people to become informed, active, and responsible citizens. Through non-formal education activities, participants will explore democracy and inclusive democracy, with a strong focus on equal participation, diversity, and social inclusion. The project aims to enhance young people's capacity to participate actively in their communities and decision-making processes at local, national, and European levels.

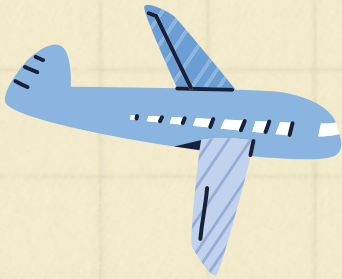

**Target group:** 4 participants (13-17 years old) + 1 Group leader (+18)
